Wilston Christadelphian Ecclesia

Safety and Wellbeing of Children

Child Safe Policy

Policy Statement: A Commitment to Child Safety

The Wilston Christadelphian Ecclesia is committed to providing a 'child-safe' environment for all children, where their rights are respected, and they are confident in their ability to express concerns and feel valued, respected, supported and safe.

We are committed to demonstrating our care and respect for every child, with a zero-tolerance approach to any behaviour that jeopardises a child's health and safety, including all forms of abuse.

If any person believes a child is in immediate risk of abuse, call Police on triple zero.
